

## Letter From Santa

### Express Mail from the North Pole

**Dearest** \_\_\_\_\_  
Players Name

I hope you've been a very \_\_\_\_\_ kid this year. Your family says you  
really want a \_\_\_\_\_. My elf \_\_\_\_\_ has  
been helping out a lot with making your toys. I remember going to your house  
last year, your chimney smelt like \_\_\_\_\_. Unfortunately, One of my  
reindeer has an illness called \_\_\_\_\_itis. But we can still  
make it to your house this Christmas because I have replaced him with a(n)  
\_\_\_\_\_. The rest of my \_\_\_\_\_ reindeer are feeling well though.  
After your house we are going to \_\_\_\_\_'s house. He/She is getting a  
\_\_\_\_\_, but don't tell! It is currently negative \_\_\_\_\_ degrees in the  
North Pole, where I live. Mrs. Claus is making my favorite food, \_\_\_\_\_.  
Well, I have to go to bed early tonight because I have \_\_\_\_\_ tomorrow  
morning. Be extra good this year!

**See you this Christmas!**

**Santa Claus**
